Skills

- Java | JavaScript | Python | C++ | C | MySQL | React | Git | Bootstrap | PyTorch | TensorFlow | Pandas | Numpy
- Machine Learning | OOP | Web Development | Frontend | Backend

Experience

Web Developer Intern

Shrim Technolab LLP

Rajkot, Gujarat, India

05/2024 - 07/2024

- **Explored frontend technology** by using react.js and vanilla JavaScript made one feature for school website which let faculty make online index of their entire syllabus And make proper list of topics.

Projects

• Skin cancer classification

By using PH2 dataset we did image classification of images in three different categories of abnormal, normal and melanoma.

(Python – SVM, CNN, ANN, Decision Tree, KNN)

• Classification in types of cancer

As the images in ph2 dataset were not sufficient we shifted to HAM10000 dataset in which we are classifying images in 7 different types.

By these ML projects we are getting familiar with algorithms like SVM, RF(Random Forest), KNN, and Convolutional Neural Networks like CNN, RNN, ANN.

(Python – CNN, SVM , Random Forest)

• Career Counselling Website

By using the concept of DMGT I made website that takes the interest of students like skillset and curiosity on the basis of which website will suggest them about the courses they should opt for and I will connect them to the best of university available across the glob.

(HTML, CSS, JS, PHP)

Education

B.Tech

Marwadi University

Rajkot, Gujarat, India

09/2022 - Current

Information & Communication Technology

Certifications

- **Database Programming with SQL** (Oracle Academy)
- **Analytics using Tableau** (Infosys Springboard)
- **Mastering Linux**(Cisco network academy)
- **50 Days Streak Badge** (Leetcode)

Achievements & Volunteering

- **General Secretary** (Cloud Computing & DevOps Club – Marwadi University)
- **Text Team Head** (ICT Marwadi University Media Team)
- **TEDx Marwadi University 2024 Attendee** (Only Top 100 Students of the University were given this opportunity)
- **1st Runner Up – Data Dice Decathlon**(MU Fest 2024)
- **Sponsored By Marwadi University to attend ILS**(International Leadership Summit – Delhi)
- **Treasurer**(IEEE WIE MEFGI SB)
